- December 28, 2017

## Experience

### Hack River Dell: Co-founder, Director of PR & Sponsorships

*June 2016 - January 2016*

I co-founded and organized a student-run hackathon for two straight years at my high school. I gathered sponsors through outreach to private sector, handled miscellaneous logistics and expenses, and created design and branding for the event.

### River Dell Technology Department: Assistant IT Technician

*Summers: 2016 - 2018*

Over my high school summers, I have been an Assistant Helpdesk Technician for River Dell Regional School District's technology department. My contributions include imaging devices, installing and sustaining network devices, and other miscellaneous tasks.

### River Dell Board of Education: Student Liaison

*September 2017 - June 2018*

I was selected by school faculty to be a student representative on the board of education. While a student liaison, I presented the latest accomplishments of the students and provided my own insight prior to decisions being made by the board.

### Peer Leadership: River Dell Peer Educator

*September 2016 - June 2018*

As a peer leader, I educate, inform, and mentor other students on a variety of topics including sexual health issues such as HIV/AIDS, STIs, dating violence, harassment, and rape. The aim of peer leadership is to educate teens and reduce risk behaviors.

## Activities

### River Dell Boys Basketball Team: #13, Forward/Center

*September 2014 - February 2018, (9th grade - 12th grade)*

- Varsity: Junior & Senior Year

### River Dell Cyber Security Club: Co-founder & Officer

*December 2015 - June 2018*

- As a co-founder and officer of the club, I organized meetings and competed in online cyber security competitions with the team.
