Experience

Hack River Dell: Co-founder, Director of PR & Sponsorships

June 2016 - January 2016

Co-founded and organized a student-run hackathon for two straight years at my high school. I gathered sponsors through outreach to private sector, handled misc. logistics, expenses, and created design and branding for the event.

River Dell Technology Department: Assistant IT Technician

Summers: 2016 - 2018

Over high school summers, I have been an Assistant Helpdesk Technician for my school district's IT department. Contributions include imaging devices, installing and sustaining network devices, and other misc. tasks.

River Dell Board of Education: Student Liaison

September 2017 - June 2018

I was selected by school faculty to be a student representative on the board of education. I presented the latest accomplishments of the students and provided my own insight prior to decisions being made by the board.

Peer Leadership: River Dell Peer Educator

September 2016 - June 2018

As a peer leader, I educate, inform, and mentor other students on a variety of topics including sexual health issues such as HIV/AIDS, STIs, dating violence, harassment, and rape. The aim of peer leadership is to educate teens and reduce risk behaviors.

Activities

River Dell Boys Basketball Team: #13, Forward/Center

September 2014 - February 2018 (9th - 12th)

- Varsity: Junior & Senior Year

River Dell Cyber Security Club: Co-founder & Officer

December 2015 - June 2018

- As a cofounder I organized meetings and competed in online cyber security competitions with the team.
